

Ysgol Rhosnesni

Uniform Guide and Information

V2. 2020

At Ysgol Rhosnesni, school uniform is a vital aspect of the school's ethos and maintaining high standards. Specific uniform items such as blazers and ties are produced by main suppliers, however garments that can be purchased from a range of high street stores are more difficult to standardise. Some retail outlets market their products as school uniform, when actually this may not be the case. We urge parents/carers to ensure that they only purchase items intended to be used for school uniform which comply with our uniform policy.

The purpose of this leaflet is to help assist parents/carers in making appropriate choices first time. **Please read in conjunction with the full School Uniform Policy**

We do not want to inform parents/carers in September that they have purchased clothing and/or footwear that will not be acceptable. We would ask our parents/carers to please take time to look through the following pictures to clarify what forms the stated Rhosnesni High School uniform in terms of shoes, socks, trousers and skirts. Whilst this doesn't cover every possible style, hopefully it will be of help in providing a better idea of what is expected.

If you have any questions/queries regarding any aspect of uniform, please contact your child's Progress Manager and they will address this for you.

We look forward to welcoming our students back in September.
