

IMPORTANT INFORMATION UPDATE

May 2018

Dear Parent/Guardian

Data Protection Laws are changing - GDPR

A revised national data protection law is being introduced from 25th May 2018. As a result, we are publishing a new privacy notice to make it easier for you to find out how we use yours and your child's personal information in relation to their education and wellbeing. We won't be changing the way in which we use this information; the new notice will simply provide you with additional details such as:

- Increased rights individuals have in relation to the information we hold about you and your child
- Yours and your child's rights to access this information
- How we keep this information secure
- The type of information we hold and the reasons for this
- Who we share your information with and why
- How long we can legitimately retain your data
- Details on who to contact should you have any concerns

The new legislation will provide parents and children with improved transparency on all personal information we hold on you and your family, why we hold it and who we share this with.

Please read our new privacy notice and full data protection policy on our school website.

Yours sincerely

Mr A Brant
Headteacher/Pennaeth
