

26<sup>th</sup> March 2021

Dear Parent/Carer,

As anticipated, Rhosnesni High School's site will reopen fully on Monday 12<sup>th</sup> April. All year groups will return on this day.

Students will enter school between 8.40am and 9.00am, from the Borrass Road internal gate, as they did before the Easter break. Please ensure that your child returns in full school uniform. Students will leave, from the Borrass Road gate, at the times that were communicated in September 2020.

Again, I respectfully request that parents do not park, drop-off or collect near the school's entrances. Parents who do so are inadvertently endangering the lives of our students.

Unlike the autumn term, students are now required to wear face coverings in classrooms. Your support and understanding in this matter will be essential. As with social distancing, rigorous hand sanitising and respiratory hygiene, please reinforce the importance of wearing face masks when you are preparing your child to return to school site.

We look forward to welcoming all students back to Rhosnesni grounds in a safe and effective manner on Monday 12<sup>th</sup> April 2021.

Yours sincerely,

Mr A Brant  
Headteacher
