

December 2019

Dear Parent/Carer

As we rapidly approach the Christmas holiday, I would like to reflect on some of the recent successes of Team Rhosnesni.

Remarkably, we have improved school attendance by nearly 3% this term. My colleagues have worked tirelessly to challenge and support families with a history of poor attendance. Fewer children are now missing lessons, with some very pleasing results. We know that there is a significant correlation between good attendance and academic achievement. Please continue to support us as we strive for maximum progress and the best possible results.

Our Year 11 students are on course for record breaking outcomes in the summer term. Our mantra of 'no pressure, just practice' is well embedded and our senior students are embracing the challenges of GCSE preparation. Understandably, we are proud of them and optimistic about their chances. I would like to thank staff for their commitment to our young people. Many teachers are staying late or working through lunch to provide bespoke support for willing learners.

The biggest Year 7 cohort in our recent history has settled in extremely well. The children are polite, well-presented and enthusiastic. It has been wonderful to see so many students attending their local school, proudly wearing the smart blue blazer of Ysgol Rhosnesni. These young people are a credit to you, as parents, and a valuable addition to the team. Current predictions are that we are again looking at oversubscription in September 2020. This is yet another indication that the 'Rhosnesni Way' is what local parents want. We will continue to insist on the highest of standards for all students. We will continue to build a culture based on respect, honesty and success – RHS. We will continue to accept only the best for our young people.

I would like to thank the retiring Chair of Governors, Councillor Dave Hughes, and Mrs Lesley Closs, Vice-Chair, for their long and loyal service. Mr Hughes and Mrs Closs have made a significant contribution to Ysgol Rhosnesni over a number of years. We wish them the very best for the future.

Finally, we welcome our new Chair of Governors, Councillor Paul Jones, and our new Vice-Chair, Mrs Nina Porter. They are both passionate supporters of this school and have a wealth of invaluable experience. They share my ambitious vision for Rhosnesni and I am delighted to be working with them.

Nadolig Llawen

Mr Andy Brant
Headteacher

NEWYDDION

Miss School.....Miss Out.....Miss Opportunities

Team Rhosnesni's commitment to improving students' attendance remains a key priority this year. We strongly believe that by working in partnership with parents and students we can continue to raise standards of attendance and punctuality in a bid to achieve our whole school attendance target of 97%.

We would like to take this opportunity to thank all parents/carers who have wholeheartedly supported our attendance initiatives and share some of the successes achieved to date:

- Overall school attendance has improved by approximately 3% since the same time last year.
- Year 7 attendance is the highest in the whole school and is above national average.
- Punctuality to school has improved significantly and recorded lates have declined by 1%. This is the result of a robust lates strategy enforced by the Pastoral Teams and supported by parents/carers.

There is still a significant amount of work to do if we are to achieve the 97% target. The rationale for this aspirational target is that regular attendance in school is a key indicator of success at GCSE. In fact, research demonstrates that just 17 days absent from school a year could lead to a drop in a GCSE grade in all subjects.

We would like to remind parents that all students should strive to achieve full attendance. Minor illness is not a valid reason not to attend school. Where possible, medical appointments should be arranged outside of school hours. For medical appointments to be authorised we require a copy of the appointment slip/letter detailing the time and date of the appointment. If this is not available a confirmation slip showing the appointment will suffice. A full day will not be authorised for a medical appointment that is in the morning, or vice versa for the afternoon, unless there is a requirement to travel.

Please note if your child misses 10 days (20 sessions) **in total** due to sickness we will request a doctor's note for every future illness stating the reason for the absence.

We politely request that if your child is unable to attend school the following process is followed:

Absences should be reported by 9.05am on the morning of each day of absence either by:

1. Email - attendance@rhosnesni-high.wrexham.sch.uk
2. Telephone - 01978 340947
3. Free text – 07786 200444.

Holidays during term time are strongly discouraged and will **not** be authorised in accordance with our Attendance Policy.

Autumn Term Attendance Awards 2019

We believe that improving and maintaining excellent attendance should be valued and publicly acknowledged through a variety of rewards, including:

- Golden Ticket Reward – October 2019
- Tutor group with highest attendance award - September to December 2019
- 100% attendance certificates & chocolate
- Advent calendar (100% attendance between 4th September to 29th November 2019)
- £25 gift card (100% attendance between 14th October to 19th December 2019)
- Most improved attendance—certificates & chocolate

Attend to Achieve!

**Miss V Brown, Deputy Headteacher and
Mrs J Evans, Attendance Officer**

NEWYDDION

Message from the newly appointed Chair of Governors

Dear Parents/Carers

I am honoured to have been elected as the new Chair of Governors for Rhosnesni High School following the resignation of Mr D Hughes after 15 year of hard work and loyal service to the school.

I bring a varied set of skills and experiences to the role which should be useful in helping to improve the overall package for learners. This ranges across engineering tradesman, army officer, secondary school teacher and county councillor for Maesydre ward.

I have been married for thirty seven years to Alison and raised two grown up children. Both Lisa and Craig were educated in Wales. I am familiar with the ebb and flow of parenthood and school life!

During the previous twelve months I have been impressed with the changes introduced by Headteacher, Mr. Andy Brant. However, change could not have occurred without the buy in of everyone at Rhosnesni and we must continue working together to further improve. I will do everything possible to support each student in fulfilling their potential.

I look forward to meeting you all during the course of the coming year.

Best Wishes

Cllr Paul D Jones
Chair of Governors

History Department

Welsh Guards Parade. On Tuesday 17th September, the Welsh Guards exercised their right to march through Wrexham town centre. The parade was attended by students in Year 8 as we paid our respects to those serving in the armed forces.

Gresford Disaster Memorial Service. 22nd September marked the 85th anniversary of the Gresford Disaster. 85 years ago our local community was devastated after an explosion underground caused the death of 266 miners; leaving more than 200 widows and hundreds of children without a father. On the night of the disaster, the mine was busier than usual as many men were 'doubling up' their shifts in order to either attend the carnival or watch Wrexham at home to Tranmere Rovers. Jack, Jacob, Amy, Ffion, Dewi and Isobel from Year 11 attended the memorial service which was held in Pandy on Sunday 22nd September.

Mrs L Evans
Head of History

NEWYDDION

School Council Welcomes New Members

School Council elections were formally held on Friday 20th September 2019 and 23 new members were elected on to the student body. It was excellent to see so many students wanting to be involved in the decision making process within the school. A further 10 members continued their work from last year with the Student Council, demonstrating their long-term commitment to the progress of the school.

In order to prepare the students for their roles and responsibilities, Miss V Brown delivered a School Council training session. The interactive session was an opportunity for new and current members of the council to meet and explore the requirements of their position in greater depth. The activities undertaken included:

- An ice-breaker session
- Identifying the essential qualities and expectations of a School Council member
- Problem solving tasks
- Understanding key terminology pertaining to their role
- How to prioritise key issues
- Teamwork and communication activities
- Completion of School Council contract

Throughout the training session the students were enthusiastic and produced several positive ideas about how to improve the school. All students reported they had enjoyed the workshop and believed it was beneficial in preparing them for their role on the School Council.

I am looking forward to working with the School Council again this year, an important part of Team Rhosnesni.

Miss V Brown
Deputy Headteacher

The School Environment

The School Council and RHS Gardening Club, have been very busy working to improve the school environment, following feedback from a learning walk undertaken by students researching ideas for improvements. On the basis of their suggestions, a number of improvements have been made, including:

- Perspex covers for the displays in the Humanities department corridors
- The introduction of new recycling bins
- Reduction in single use plastics

Furthermore, we are indebted to Mrs N Ellis (Local Authority Landscape Gardener) and her team also Mr T Price (Governor) for their support in the redecoration of the picnic area and the replanting of the borders in the Quad area of the school. The students have been very positive about the repainting of this area, which has helped to brighten up and revitalise this seating area of the school for the benefit of the students. Three students from the School Council (Alex Y8, Megan Y8 and Dewi Y8), supported by Mr Whitehead, have delivered whole school assemblies to focus upon our collective responsibility regarding looking after the school environment and the discarding of rubbish in a responsible manner.

Finally, in conjunction with Mrs Ellis, the school has applied for funding to develop a sensory garden. The students have collated their ideas and are keen to develop a safe space and multi-purpose space which can be utilised by subjects across the curriculum.

A special thank you to those who have worked so hard to support this project, including giving up their summer holiday time to do so. I look forward to updating you in the next newsletter.

Miss V Brown
Deputy Headteacher

NEWYDDION

5x60 Updates

The new school term has meant the 5x60 timetable has resumed. We currently offer a range of activities that pupils can be involved with such as Girls Football (Wrexham), Jujitsu, Street Dance, Football, Netball, Dodgeball and Fun Swim. All activities take place at either lunchtime or after school. If you require any information please speak to the 5x60 officer, Miss A Wright.

Primary Federation Netball Tournament – Tuesday 8th October 2019

On Tuesday 8th October Rhosnesni hosted the first round of fixtures for the Wrexham Primary Federation Netball Tournament. There were over 200 pupils from primary schools across Wrexham in attendance. We look forward to hosting the 2nd and 3rd round in the New Year.

Miss A Wright
5X60 Officer

Scary Stories

It's great to announce that over one hundred entries have been received for the 'Scary Stories' Writing Competition! Thank you, all who have entered and all who have supported! Additional thanks to Shan Cooper, Chief Library Officer, Wrexham Libraries for her role as Chief Judge and to Carrie Morris, Booka Bookshop, Oswestry and The Federation of Children's Book Groups who have provided prizes.

'LOVE LIT. CLUB'

Every Friday after school in EM2 and now every Wednesday after school in EM4. Bring your friends! See Mrs G Roberts for details.

RHOSNESNI READS

Read as many books as you can over the Christmas Holiday and count them towards your Bronze, Silver and Gold Awards! Anyone who doesn't enjoy reading, just hasn't yet found the right book! Not sure what to read? Ask for suggestions! If you haven't started already, join 'Rhosnesni Reads' TODAY! Happy Reading!

Mrs G Roberts

Newyddion Adran Y Gymraeg

Our Year 11 students have been perfecting their article writing skills in preparation for the extended writing questions on Units 3 & 4 of the Welsh Second language GCSE examination papers. We hope you enjoy reading the excellent articles produced on the topic of 'Alcohol ac yfed dan oed'

Our students have been expressing their opinions on the topic of Alcohol within a role play situation. We hope that many of these articles will be published in the next edition of Wrecsam's Welsh paper 'Y Clawdd.' Bendigedig Blwyddyn 11.

Erthygl ar Alcohol

Gan Isobel Blwyddyn 11

Yn fy marn i mae yfed dan oed yn ddrwg dros ben. Mae pobl ifanc yn goryfed achos pwysau cyfoedion a gwaith ysgol. Dw i'n anghytuno efo yfed dan oed ond ar y llaw arall mae yfed yn gwella hyder a help i gymdeithasu.

Weithiau bydda i'n yfed seidr a gwirodydd, fodd bynnag, gan amlaf dw i ddim yn yfed alcohol. Yn achlysurol dw i'n yfed efo fy ffrindiau neu fy nheulu.

Penwythnos diwethaf es i i dŷ ffrind. Gwylion ni chwaraeon a yfais i cwrw. Ond, penwythnos nesa bydda i'n mynd allan am fwyd efo fy nheulu. Dw i ddim yn yfed diodydd alcoholig achos mae'n dwp dros ben.

Yn fy marn i mae yfed a goryfed yn ddrwg. Does dim dwywaith amdani, mae pobl ifanc yn goryfed achos pwysau fel ysgol a gwaith cartref.

Peryglon yfed dan oed a goryfed ydy cancr a pwysedd gwaed uchel. Ond mae goryfed yn achosi dibyniaeth a digalondid. Ddylech chi ddim yfed, achos mae'n achosi ymddygiad anghymdeithasol yn y parc, dref a dafarn.

Gallai'r llywodraeth addysgu pobl ifanc a weithiau godi pris alcohol. Dylai'r ser yfed yn gymhedrol a osod esiampl. Dylai pobl ifanc roi'r gorau i yfed alcohol.

Maen cadw'n iach yn allweddol! Maen bwysig edrych ar ol y corff achos mae yfed diodydd alcoholig yn ddrwg i'ch iechyd. Gan amlaf bydda i'n yfed digon a ddwr a mynd i'r gampfa.

Erthygl ar alcohol

Gan Harry Blwyddyn 11

Yn fy marn i mae yfed alcohol yn beryglus a ddrwg i'ch iechyd a hefyd mae'n achosi problemau. Dw i'n cytuno efo yfed diodydd alcoholig achos mae'n helpu ymlacio. Dw i'n yfed diodydd alcoholig yn achlysurol efo ffrindiau, yn y dafarn achos mae'n helpu i gymdeithasu. Yn ddiweddar es i i barti yn nhŷ ffrind, gwelais i plant yn yfed dan oed a creu trwbwl. Ym marn ffrindiau mae yfed dan oed yn newid cymeriad a sbwriel. Penwythnos nesa bydda i'n yfed diodydd efo fy nheulu. Dw i'n yfed yn gymhedrol, achos maen bwysig cadwn iach. Bydd dad yn yfed gwirodydd a meddwi. Yn fy marn i mae yfed dan oed yn beryglus. Dw i'n deall bod pobl ifanc yn yfed diodydd alcoholig achos mae'n gwella hyder a help i gymdeithasu. Peryglon yfed dan oed ydy sirosis yr iau, dibyniaeth a cancr. Gallai'r Llywodraeth addysgu pobl ifanc am peryglon yfed dan oed, hefyd godi pris alcohol.

Music Department

We are so proud of Ysgol Rhosnesni's Choir who performed with the Brymbo Male Voice Choir and The Silver Ring Choir of Bath in October. Our choir was invited to perform as part of the Brymbo Male Voice Choir's 'Diamond Jubilee Concert.' They sang four of their own solo songs – *Fix You*, *What About Us*, *Hallelujah* and *Diamonds*. Taylor, Year 7, and Jessica, Year 9, performed solo parts and were incredible. The choir also performed three collaboration pieces with the Brymbo and Bath choirs; *Calon Lan*, *World in Union* and *I Dreamed a Dream*. A huge congratulations to Lydia, Year 11, who sang the solo part beautifully. They all performed so confidently and clearly and were an absolute credit to the school. A massive well done to you all – we are extremely proud of you! More performances have followed at Nightingale Hospice, Whitehouse Care Home, Plas Rhosnesni and St John's Church.

Miss E Rogers
Music Department

English Department

Year 11 had the opportunity to take part in a "live" writing task based around the Foodbank Appeal in Wrexham. Project Manager, Sally Ellinson, gave an inspiring talk to the year group, sharing key statistics about the increasing number of local people who are finding themselves in crisis and being referred to the Foodbank for an emergency package of food. Year 11 pupils have responded by writing heartfelt letters to the Welsh Assembly, the British Prime Minister and the Department for Work and Pensions; requesting that something be done to support people in Wrexham who are struggling financially. Raising awareness of inequality is essential if the next generation is going to change our world for the better. "Poverty" isn't just happening in foreign countries, it is affecting families right here in Wrexham, and I am proud of the way the Year 11 students responded to this challenge.

Mrs J Rogers
English Department

NEWYDDION

Student Council

On Friday 27th November, members of the School Council visited Glyndwr University in order to receive an award for the school commitment to promoting emotional Health and Wellbeing. It was a lovely event and our students were excellent ambassadors for the school. Well done!

**Miss V Brown,
Deputy Headteacher**

Literacy News

Well done to all those who are completing our informal 'Book Chats' as part of our 'Rhosnesni Reads' initiative. An increasing number are achieving their Bronze Award, the very first of whom, this term, was Susan Zhu from 7H2. Congratulations to Susan as well as to everyone else who is reading regularly and enjoying 'Rhosnesni Reads'.

Roald Dahl, one of the most popular authors of all time, famously said "If you are going to get anywhere in life you have to read a lot of books!" And of course, he also knew how to make reading fun.

There are books for all interests so put 'book' on your Christmas wish list this year! And to all the elves out there, hope you're stocking up in the workshop! Happy Christmas and Happy Reading!

**Mrs G Roberts
Literacy Co-ordinator**

Speech and Language Resource

The Speech and Language Resource supports students identified with a high level of Speech Language Impairment (SLI) identified in a statement of educational need. However, many pupils have higher level SLI needs working to a high level in mainstream classes.

To better support our students seven of our teaching assistants have successfully completed a Level 3 ELKLAN course (equivalent to A level standard). We are so proud of them and are excited to the developments in pupil support this offers the school.

Rhosnesni Robot Revolution

Year 9 pupils are representing Rhosnesni High School in this year's, First Lego League challenge with STEM Cymru (Engineering Education Scheme Wales Ltd). The team will research challenges facing today's scientists, design, build, test and programme the Lego robot. Learn critical thinking, team building and presentation skills, showing the highest levels of professionalism whilst participating in the tournament.

Pupils are working well to programme the robot, whilst identifying and developing solutions to problems identified for the competition. Pupils are showing great team spirit and developing important skills for their futures and the future of Wales. By taking part, team members are learning valuable life and employment skills, but more importantly they are having fun.

Ukulele Club

Ukulele Club has started with a strum and a swing, thanks to four free Ukes kindly donated by the London Ukulele Project! This generous organisation funds instruments for wellbeing projects in schools across the UK; the idea is that playing and singing together boosts confidence and happiness levels for both pupils and teachers.

Our club at Ysgol Rhosnesni takes place on a Thursday lunchtime in EM7. The group is led by Amy, Year 11, who has been playing Ukulele for a number of years. She is patiently teaching Mrs Rogers and the other members the basic chords and strum patterns. The group recently performed at our Christmas talent show. Ukulele club is open to everyone no previous experience required!

**Mrs J Rogers
Ukulele Club**

Geography Department

The Geography Department has been very busy this term with a range of fieldwork activities for many of the year groups.

Year 9 Geography students have been using the infiltrometer to test for infiltration rates at sites across the school.

Year 11 GCSE Geography students have been very busy with their GCSE NEA fieldwork. The pupils were successful in collecting a large range of data from Nant Mill.

**Mr A Roberts

Show Racism The Red Card Day

On Friday 18th October Miss Evans, PSE co-ordinator and the School Council organised a cake stall and penalty shoot out in support of "Show Racism The Red Card". Lots of cakes were provided by staff, parents and pupils which were sold at break and lunch. In the sports hall at lunch the penalty shoot out took place with Mr Roberts' (PE), Mrs Rogers (English), Mr Roberts (Geography) and Mr Kulke (IT) taking their places as goalkeepers. We were also very lucky to have Jack Thorn & Matthew Sargent from Wrexham AFC who visited to support the event. In total we raised £192.86!

Well done to all who provided and bought the cakes and to those who took and saved penalties.

Miss S Evans
PSE Co-ordinator

NEWYDDION

A New Curriculum For Wales

A new curriculum is being developed for schools in Wales. The curriculum became available from April 2019 for feedback. A final version will be available in January 2020 and will be used throughout Wales by 2022. The new curriculum will have more emphasis on equipping our students for life. It will build their ability to learn new skills and apply their subject knowledge more positively and creatively. A new digital competence framework is now introducing digital skills across our curriculum, preparing students for the opportunities and risks that an online world presents. Meanwhile our teachers will have more freedom to teach in ways they feel will have the best outcomes for our learners.

The central focus of assessment arrangements will be to ensure students understand how they are performing and what they need to do next. There will be a renewed emphasis on assessment for learning as an essential and integral feature of learning and teaching.

The purpose of the new curriculum is to support our children to be:

- ambitious, capable learners, ready to learn throughout their lives
- enterprising, creative contributors, ready to play a full part in life and work
- ethical, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

It will have six 'Areas of Learning and Experience (AoLE).

- Expressive Arts.
- Health and Well-Being.
- Humanities (including RE which should remain compulsory to age 16).
- Languages, Literacy and Communication (including Welsh, which should remain compulsory to age 16, and Modern Foreign Languages).
- Mathematics and Numeracy.
- Science and Technology.

It will also include three cross-curricular responsibilities: Literacy, Numeracy and Digital Competence.

Assessment is a continuous process and takes place on a daily basis in schools. Progression reference points help learners, teachers, parents and carers to understand if appropriate progress is being made and therefore, 'Key Stages' will be replaced. 'Progression Steps' will set out expectations for our students in each area of their learning relating broadly to ages 5, 8, 11, 14 and 16.

Further information can be found by accessing the following: <https://hwb.gov.wales/draft-curriculum-for-wales-2022>

Progress Reviews: A Guide For Parents/Carers of KS3 Pupils (Years 7, 8 and 9 Pupils)

The Rhosnesni Grading System. The new curriculum for Wales is currently being developed and will be introduced in schools from 2020 with a move towards a full roll-out in 2022. At Rhosnesni High School, all students in Years 7, 8 and 9 will now be assessed using GCSE grades. This is in response to the new curriculum for Wales. Key Stages are being removed and replaced with "progression steps", which will provide reference points and a "road map" for pupils according to their individual needs. At Rhosnesni, the GCSE grading system ranges from A* for the highest achievement to G for the lowest achievement. All teachers will be awarding grades based on GCSE marking criteria.

We believe that it is very important that teachers, parents, and our students view progress as a journey which takes five years. Strong, steady progress and assessment whilst building knowledge and developing skills, is the key to GCSE success. Students are not expected to move up the scale quickly. Progress should be steady and secure over time.

NEWYDDION

What are the benefits of using GCSE grades throughout all years?

- It encourages all students to stretch themselves;
- It is easier for teachers, students and parents to monitor progress over time. As students are measured against the same criteria from Year 7 through to Year 11, we can clearly see the progress each individual is making in all subjects
- The language used to report to students and parents will be the same, making it easier for students to understand what they need to do to move on, and for parents to be involved in their child's progress.

Tracking Points. In each subject area, our students will undertake an assessment at several points throughout the year. This may be an exam style test, an assignment or an extended piece of homework. At each tracking point, teachers will choose a grade which reflects what they predict the student will achieve if they continue working at the current rate.

We have set aspirational targets using a range of data for all of our students. It needs to be stressed that these targets are aspirational and are there to motivate your child to try to do his or her best. We acknowledge that performance can vary from assessment to assessment and parents should expect some variance in achievement across subjects and throughout the year. We review these targets at the beginning of every academic year

Should you have any queries please do not hesitate to contact your child's Progress Manager.

Mrs S Williams
Assistant Headteacher

Email addresses for Parents/Carers – Important change

As previously notified, we have started using email as a communication method with parents. This is a quick, easy and cost effective way to keep in touch with you.

To avoid missing out on important school information please ensure that the school has your email address by either:

- completing a change of details contact sheet available from reception
- contacting school reception on 01978 340840, or alternatively
- please email office@rhosnesni-high.wrexham.sch.uk from your email address please provide your child/children's name and date of birth and your email address will be added to our electronic records systems.

As a school it is very important that we are still able to contact you by phone in case of emergency. If you have changed your name, address, mobile phone number or any other contact information, it is important that you advise us immediately.

Thank you for your ongoing support.
