

1. How can I prepare my child for secondary school?

Moving to secondary school can be a daunting time for both children and their parents. One of the key ways to prepare your child for transition is to develop their independence skills. This includes encouraging them to gather and pack their own equipment ready for school and other activities, managing time and money, looking after their belongings and developing strategies to use if something goes wrong.

2. What equipment will my child need to bring to school?

The basic items of equipment that your child will need are: pencil case, pen, pencil, ruler and rubber. Many learners also choose to bring coloured pens and pencils along with other items of stationery which they feel they may need.

3. Will they need PE kit on the first day of high school?

No, the first PE lesson will not involve changing into kit.

4. What time does my child need to arrive at school?

All students need to be on the school site for 8.40am each day.

5. How will my child find their way around school?

12. What if my child forgets something?

Teachers will be understanding in the early weeks of the term. If they need something important, the Office staff can contact home for it to be brought in.

13. What should I do if my child loses something?

Losing things at school is unfortunately, part of school life. The chances of reuniting students with their belongings increase dramatically if they are clearly labelled. In such a large school it can be hard to differentiate an individual's property; a clear name tag makes returning items much easier. If your child has lost something they should check to see if it has been handed in to lost property in resources. They should also retrace their steps and return to the classrooms/changing rooms they have been to that day to see if they have left it there. They should do this on the day that they discover the loss. If this proves unsuccessful, it is sometimes worth checking with lost property again, after a few days have elapsed.

14. What happens if my child loses their tie?

Your child can purchase a tie direct from our main office for £3.00, or from our suppliers RAM Leisure.

15. What is the student planner and how will my child use it?

The planner is a communication tool between home and school. Your child is expected to write any homework that they have in the planner. If you wish to update us about any absences or other information, you can use the planner to write in a note.

16. How can I check what homework my child is set?

Your child will be issued with a student planner. Your child's homework will be recorded in there. This planner can also be used as a dialogue between yourself and your child's teachers. We politely request for parents to sign and check their child's planner every week.

17. How much homework will my child get?

It may vary a little, but a few of pieces of homework a night on average.

The use of mobile phones is not permitted at Rhosnesni High school. If a phone is seen or heard by a member of staff, the phone will be confiscated and Students can collect their phone from the main reception at the end of the day. If your child chooses to bring a phone to school with them to use on their way to or from school it should be switched off and placed away safely in their bag before entering school.

19. Who do I contact if I have any questions or if there are any problems?

You should contact your child's Form Tutor in the first instance.
