Ysgol Rhosnesni High School - Digital Learning and Wellbeing Survey - January 2021

Dear Parent/Carer,

At Ysgol Rhosnesni High School, we will strive to do all we can to ensure that we support your child/children to have access to:

- Their work online to continue with their learning
- Their teacher for help and guidance
- Pastoral and welfare support as they require

In order to identify how our home learning is currently working for our students and their families, we would be grateful if you could spare a few moments to complete this brief survey in relation to digital learning and wellbeing in your household. Your responses will guide us towards any changes we need to make going forwards.

There are 2 surveys to be completed, one for parents/carers and a different one for students.

- If parents/carers have more than 1 child in the school, please can you complete a separate form for each child. This is because we need to know if different year groups are having different experiences.
- Each student needs to complete their own survey for the same reasons, so if you have 2 children then they should complete a separate survey of their own.

The surveys need to be completed by Wednesday 27th January 2021.
