

June 2021

Dear Parent/Carer,

In a year when our ability to be in school has been so dramatically affected, it has never been more important that students attend school whenever they are able to do so. At Rhosnesni High School we are keen to support our families in helping their children to be in school as often as they can be.

Naturally, there are times when students cannot be in school due to Covid 19 related issues or other illness and circumstances. We politely request you inform school each and every day of the period of absence. If your child does not arrive in school and we have not been informed of why this is the case, you will receive a text message asking you to reply to the school to explain the absence. Please can you ensure that you respond to this free text message service, otherwise we will continue to have concerns about your child's whereabouts. **If we are unable to account for your child then this creates a serious Safeguarding issue.**

If you have concerns regarding the information in this letter then please contact Mrs K Roberts (Attendance Officer) on 01978 340947, or your child's Progress Manager.

### **Uniform Expectations**

We expect all students to be in full uniform. Please can you ensure your child complies with the following key points in accordance with the uniform policy agreed by the governing body:

- Footwear - students must not wear canvass style pumps or trainers
- Socks - the following sock styles are not permitted: trainer style, knee high or over the knee socks
- No hoodies
- The following items are not permitted: false nails or eyelashes, facial piercings, necklaces, rings, bracelets or heavy makeup or nail varnish
- Earrings - only a single stud in each ear lobe is permitted on health and safety grounds

We trust you will support the school in maintaining our high standards of uniform and presentation for the remainder of the summer term.

Yours sincerely

*V Brown*
