

KS4 Numeracy Challenge

Give your workings on paper to Mr Lewis (EM10) by Friday 22nd October! Correct entries will be entered into a draw to win an Amazon gift voucher!

Jackie has two summer jobs. She works as a tutor, which pays £12 per hour, and she works as a lifeguard, which pays £9.50 per hour. Each week she earns a total of £220 while working a total of 20 hours. How many hours does she work at each job each week?
