Attendance and Punctuality

We have received an increasing number of requests to take students out of school to go on holiday. We would like to politely remind all parents/carers that, in accordance with our policy ratified by the governing body, we do not authorise holidays during term time.

Please ensure your child arrives on the school site by no later than 8.40am. Latecomers will be placed on detention the following day and parents/carers will be informed as a matter of courtesy via a text message.

If you have an attendance issue or wish to report a PCR result please use the following methods: **Email:**

Attendance@rhosnesni-high.wrexham.sch.uk or **telephone: 01978 340947.**

Evidence of all PCR test results must be reported/presented to the school.

World Kindness Day, Saturday 13th November 2021

World Kindness Day is a global day that promotes the importance of being kind to each other, to yourself, and to the world. The purpose of this day, celebrated on November 13th of each year, is to help everyone understand that compassion for others is what binds us all together. Why not take part in the Random Acts of Kindness Challenge? Try and help others once a day for a week. Keep track of any volunteering or support given to friends and family, or any random acts of kindness that you've carried out. Attached is a poster with 50 ideas for random acts of kindness.

What parents and carers need to know about TikTok

TikTok has quickly become one of the world's most downloaded apps. There are now around a billion TikTok users worldwide, almost half of whom (41%) are in the 16-24 age bracket. TikTok itself advises a minimum age of 13 to access the platform, but reports suggest that some children as young as 10 use it.

But how does TikTok actually work? Why do so many people find it addictive? How easy is to view age-inappropriate content? And should children and young people even be on the platform at all? Please read the free guide attached.
