Year 11, Virtual Parents' Evening Online Booking

Dear Parent/Carer,

We would like to invite you to attend our Year 11 Parents' Evening on Thursday 25th November 2021. Unfortunately, due to the pandemic, we are unable to hold face to face meetings and therefore we will be hosting a virtual event. We believe it is important for parents/carers to be provided with the opportunity to discuss their child's progress to date with subject teachers at scheduled times.

The online booking platform is easy to use and allows you to choose your own appointment times with teachers. However, as in the case of traditional parents' evenings, it may not be possible to secure an appointment with every teacher. In the event that a teacher with whom you have arranged an appointment is absent, you will not be able to speak to them on the evening. We will aim to inform you of any cancellations in advance where it is possible to do so.

Furthermore, with three different disciplines in Science (Biology, Chemistry and Physics) it will not be possible to see all three separate teachers, as this will reduce the capacity to meet with as many different parents as possible. This also applies if your child is studying Triple Science. Therefore, you should only book with one Science teacher who will report back on your child's general progress in Science as a whole. Please see the list below as to who you should book with:

- Set 1 – Miss A McGoldrick
- Set 2 – Mrs C Drummond
- Set 3 – Mrs L Joy
- Set 4 – Ms S Sturley
- Set 5 – Mrs L Hasford
- Set 6 – Miss S Smith

Furthermore, to discuss pastoral matters, please book an appointment with Mrs A Taylor.

Please visit <https://rhosnesni.schoolcloud.co.uk/> to book your appointments. We have attached a short guide to support you through the booking process. Once you have booked your appointments you will receive an email confirming them.

Appointments are now available to book. The booking window will close on Monday 22nd November 2021 at 6pm. Should you wish to make any changes after this date please contact the school.

If you do not have access to the internet, or experience issues in making your appointments, then please contact Mrs Price in the school office, who will be able to offer her assistance and book appointments on your behalf.

Further information regarding this event will be issued prior to the evening.

Yours sincerely,

V Brown
