

Tackling Life's Challenges

From time to time everyone needs that little bit extra support, particularly due to these testing times we are all experiencing. WFIS can work with individual families via our dedicated and enthusiastic team to provide tailored support to suit your circumstances and help get things back on track. Self-Referral welcome.

The Parenting Journey

Regardless of whether they are toddlers or teenagers, the parenting role never stops and with every stage comes new challenges. WFIS works with parents & carers from pre-birth to when a child turns 19. At any stage we can offer advice and support on how to tackle those demanding and ever changing issues. We have a great range of services we can signpost and refer to
