Face Masks

We deem a face mask to be a reasonable condition of entry to school site. We will expect Rhosnesni students to wear appropriate face masks when inside the building. With the notable exception of those children who are medically exempt, students who arrive without a face mask will be sent home after parents have been contacted. This term, we cannot routinely provide face masks to students who arrive ill-equipped. We will have a small number of disposable masks in school, reserved for those rare and genuine occasions when masks tear or break. Your support in this matter will be absolutely crucial.

Uniform Standards and Conformity

Attendance and Punctuality

All parents/carers will receive an attendance report detailing their child's overall percentage attendance and the number of school days missed last term. Regular attendance at school is important for your child's mental health, wellbeing and attainment. Therefore, please ensure your child attends school every day when they are able to do so. Students need to be on the school site by no later than 8.40am. Later comers will be placed on detention and parents/carers will be informed as a matter of courtesy via a text message. We do not authorise holidays during term time.
