Attendance & Punctuality

We recognise that late arrival to school can seriously impact on a child's education and therefore we have policies to address this issue. Students must be at school ready to be registered by 8.40am. If a student arrives late to school on three occasions during a half term they will be given an after school detention. If students persist in being late to school then they will receive further sanctions of an increasing nature. If a student's punctuality continues to be a cause for concern, Heads of Year will request a formal meeting to discuss this issue and the ESW service will be involved. Once again we request that parents/carers keep the school informed of any issues affecting your child's punctuality.

To report a LFT/PCR result please use the following methods: **Email:** Attendance@rhosnesni-high.wrexham.sch.uk **or telephone:** **01978 340947**. Evidence of all PCR/LFT test results must be reported/presented to the school.

Ending Physical Punishment

Monday 21st March 2022 is a historic moment for children and their rights in Wales. From this day on, physically punishing children will be illegal in Wales. No one is allowed to use physical punishment, like smacking, to discipline children. The website "Parenting -Give it time" offers alternatives to physical punishment such as positive parenting practical hints, tips and expert advice for parents of children up to the age of 18. Face Masks

We will expect Rhosnesni students to wear appropriate face masks when inside the building. With the notable exception of those children who are medically exempt, students who arrive without a face mask will be sent home after parents have been contacted. Thank you for your ongoing support in this matter.
