Funding Support for School Uniforms and Sports Kit

The Welsh government has extended funding for school uniform and sports kit. Learners currently eligible for free school meals can apply for the grant of £125 per learner, and £200 for those learners entering Year 7, recognising the increased costs associated with starting secondary school. Applications are open until 30th June. More information on how to apply and eligibility can be found [here](#).

Your child will be receiving an attendance report this week, documenting their over all attendance percentage so far this year and the number of days absent. Please ensure your child attends school regularly in order to achieve their full potential and support their wellbeing. Holidays during term time will not be authorised.
