Attendance

In the remaining days prior to the May half term holiday, we ask for your support to ensure your child attends school every day for the rest of this half term, when they are able to do so. This includes the final day of this term, which is Friday 27th May, closing at 3.00pm as usual. Students who regularly take the "odd day off" do not realise the long term effect this will have on their learning. Students do not need an extended holiday, they have a week to relax, socialise and recharge. Therefore, all students should attend school until the end of term unless absence is absolutely unavoidable. Thank you in anticipation of your support in this matter.
