On the merits of their outstanding performance in the recent Welsh oral assessment, excellent work ethic and attitude to learning displayed in the Welsh lessons, has been selected to participate in a series of Welsh language workshops for more able and talented students at the school. MAT students selected to participate in this activity will be given the opportunity to explore their perception of Welsh identity as a child living so close to the border and express their perception through the creation of a Welsh mural entitled Wrecsam Ni – Cymru Ni..... current strong performance in Welsh lessons is an indication of their potential to achieve to a high standard in Welsh and as a result, the school is committed to ensuring that they are aware of the opportunities available by becoming proficient in Welsh. The first workshop will take place on **Tuesday 14-06-22** with the second workshop taking place the following **Tuesday 21-06-22**.

Both workshops will be whole school day events following the normal structure of the school day with break and lunch at the usual time. All participants will need to report to LH9 (Welsh classroom) at 8.45am promptly on both days and will use this classroom as their base for both days.
