Assembly Topic

The theme for this week's assembly is "Raising awareness of Radicalisation".

Attendance and Punctuality

Team Rhosnesni's commitment to improving students' attendance is of primary importance this year. We strongly believe that by working in partnership with parents and students we can continue to raise standards of attendance and punctuality.

If you have an attendance issue and wish to discuss this with school or report a student absence please use the following methods: **Email:** Attendance@rhosnesni-high.wrexham.sch.uk or **telephone: 01978 340947.**

Attendance Support

Regular attendance at school is crucial for your child's academic achievement and emotional wellbeing. If you would like further information about how to support your child's school attendance and emotional wellbeing please contact your child's Head of Year or the School attendance officer.

Online Grooming Prevention Campaign

The Welsh Government has again teamed up with the [Internet Watch Foundation \(IWF\)](#) to run a bilingual online grooming prevention campaign on Hwb. This is in response to an increase in children being groomed, deceived or extorted into sharing a sexual image or video of themselves.

The campaign aims to empower children and young people to spot the signs of online grooming and exploitation, and to warn parents and carers about this threat, which can often occur in plain sight, on popular platforms and apps.

Year 11 Controlled Assessments

Controlled assessments will be taking place during lesson time in Science and Geography this week. The controlled assessments are a vital part of the overall assessment for students in these subjects, therefore attendance to these sessions is of paramount importance.

Year 10 Options

A reminder that we are not able to facilitate any changes to options choices at this stage in the academic year. This is due to the quantity of work missed in the subject's students are not currently studying.
