What can pupils, parents and carers expect?

The Choose Your Future event will showcase a selection of local employers where pupils will get the opportunity to hear from and speak to industry experts from across the region.

This is an excellent opportunity for pupils to:

- Research and get information from people in industry
- Find out what employers look for when recruiting their workforce
- Get an insight into the world of work to help them make decisions about their future

Pupils can also find out about:

- Jobs
- Careers
- Apprenticeships
- Training routes

Careers advisers will also be available at the event to provide advice and guidance on jobs, courses and qualifications. Careers Wales kindly ask that schools share information about the Choose Your Future event with their parents and carers.

Please find below some resources that can hopefully be shared by e-mail, newsletter, text message and/or social media. If you require any further resources, please get in touch with marketing@careerswales.gov.wales
