Attendance and Punctuality

Can we please ask all families to support us with getting their children to arrive in school on time.

Lesson 1 starts at 8.45am and arriving late to lessons disrupts the whole class, and results in a loss of learning time. Lesson times are on the school website.

To report a student absence or discuss any attendance concerns please contact the attendance officer, Mrs K Roberts, either via Email: attendance@rhosnesni-high.wrexham.sch.uk or telephone: 01978 340947.

Year 11 Careers Wales Support, Advice and Guidance.

Careers Wales in education is a guidance service supporting young people, they offer impartial careers information, advice and guidance services. Careers Wales Advisors are passionate about helping young people achieve their potential.

Rhosnesni High School will have two Careers Wales Advisers, Mandy Williams and Heather Roberts. They will be instrumental in ensuring that our young people are prepared for key transition points in their lives and that they are aware of the skills required to succeed in an ever changing labour market. Careers Advisers will use a range of tools and skills to support the work they do with young people. This ranges from one to one support, delivering interactive group sessions and presenting information using a range of digital technology. The technology is currently enabling us to adapt to the current circumstances and offer a blended approach to our delivery of our services.

If you or your son/daughter require any further information regarding Careers Wales then please contact Mrs Angela Taylor at Rhosnesni High School.
