Attendance and Punctuality

All parents/carers will continue to receive regular attendance reports detailing their child's overall percentage attendance and the number of school days missed during the school year. Regular attendance at school is important for your child's mental health, wellbeing and attainment. Therefore, please ensure your child attends school every day when they are able to do so. Students need to be on the school site by no later than 8.40am. Persistent late comers will be placed on detention with their Head of Year and parents/carers will be informed as a matter of courtesy via a text message. We do not authorise holidays during term time.

If you have an attendance issue, please contact the school using the following methods:
