Attendance

We consistently promote excellent attendance, and aim to raise attainment and achievement levels by having high expectations of attendance for all our students. Encouraging excellent attendance is a collective responsibility of by parents/carers, students and staff. In the remaining weeks of this academic year, we ask for your support once again in ensuring your child is punctual to school and attends every day.

A reminder that students need to be on the school site by no later than 8.40am. Latecomers will be placed on detention and parents/carers will be informed as a matter of courtesy via a text message.

Please ensure appointment letters are provided for medical absences to be authorised. It is the school's expectation that students should attend school before and following their appointment wherever possible. A full day's absence will not be authorised unless there is a need to travel a significant distance.

GCSE Examinations

GCSE examinations continue, all students have previously received their examination timetable. A reminder that students need to be in full school uniform when sitting exams.
