

March 2026

Dear Parent/Carer,

Thank you for choosing Ysgol Rhosnesni High School. We are looking forward to welcoming your child/ren to the school in September 2026. By working in partnership with primary schools and yourselves we aim to ensure a smooth transition between primary and secondary school over the coming weeks and months. In fact, we have already started working with your child's primary school and more information about the Common Transfer Days and New Parent Intake evening will follow in the coming weeks.

As part of the transition process, we want to make you aware of some things that can help in ensuring a smooth transition for your child and that will help you to stay up to date with all information in preparation for the new academic year.
